Vibrant Prints For Your Business Needs

Setting new benchmark in efficiency and outstanding quality colour documents

Accelerated Productivity

RICOH P C600 features an impressive print speed at up to 40 pages per minute, with maximum paper input capacity at 2,100 sheets (including bypass and up to four paper trays), letting you achieve maximum productivity amidst your busy work environment.

User-Friendly Experience

Featuring a sleek 4-line LCD panel, you can now complete your business tasks right at your fingertips with the new RICOH P C600. The panel is also tiltable up to 90 degrees, giving you the best flexibility of viewing the panel at your own comfort. The built-in NFC allows you to print from any of your NFC-enabled devices to the RICOH P C600 whenever needed. The availability of mobile and cloud connectivity provides freedom and versatility for you to print from anywhere, anytime.

Security in our DNA

Recognising your modern business security challenges, RICOH P C600 ensures business information remains secure with robust security layers in place. Using the optional Hard Disk Drive you can manage your confidential documents with the Locked Print function and only release when authentication is done at the device.

Economical and Environmentally Friendly - 2 in 1

The RICOH P C600 benefits from an incredibly low Typical Electricity Consumption (TEC) rating, packed together with a fast warm-up time of 22 seconds, making it a perfect energy-efficient office printer. Built for lasting values, the RICOH P C600 comes with a long-life 300,000- page drum unit which requires minimum maintenance, ensuring your running costs are kept affordable.
