The Apex Series

Ensuring performance when it matters

Delivering Performance

Designed with space in mind, the RICOH P 800 / P 801 delivers your documents at a speed of up to 55 or 60 pages per minute, with a maximum paper input capacity of 2,600 sheets (including bypass). It is the ideal device for desks or small spaces to maximise productivity in your dynamic workplace.

Workflow enhancements

The P 800 and P 801 meets the requirements of the modern workplace thanks to a host of smart workflow improvements. Users will be able to seamlessly connect to the printers via a suite of connectivity options including Mopria and AirPrint for mobile printing from Android and Apple devices respectively. The printers are also Google Cloud Print-ready, which allows users to print directly to the devices over the cloud without having to install printer drivers on their computing or mobile device.

Environmental Friendly

The RICOH P 800/ P 801 printers are silent performers, which feature quiet operation that is ideal for small environments. Efficient power consumption with clever energy-saving features ensures an optimised total cost of ownership.
